

Report on Twinning Parish in Haiti, Saints Peter and Paul

We are blessed that our Parish ministry to our sister parish in Haiti continues with the co-chairs Roberta Racioppi and Gigi Racioppi Jordan, carrying on for their husband and father, Ralph "Tripp" Racioppi. Attached please find a letter from Fr. Bernard and pictures of their school and community struggling with the many issues facing Haiti.

A truckload of sweet potatoes will help provide nourishing food for many.

Hello sister, How are you doing? I'm very happy to send you the report for the last donation. As you know, your help is very important for us. Thank you so much and may God continue to bless you all the time.

Sincerely yours in Christ:  
Fr. Bernard of Marmont  
Diocese of Hinche/Haiti.

In a separate message, Father Bernard wondered if there could be a sponsorship program where a parishioner and/or parish youth could sponsor one or two kids. He will send photos and each donor/ sponsor could pick a choice of one or two children to help in such a program.

He closes: "Have a blessed day in the name of Jesus our Lord and Savior!"

Sisters and brothers, the situation is very difficult more in more here. Much people are hungry. We need to give something all the time because with the insecurity, the people can't go to the market; no activities for them. Many people come from Port-au-Prince. If it's possible to have more money to do the farming and with the food from farming, I will can support more people. Thank you already for your understanding.

As ever, In the name of the Parishioners of St Peter and St Paul, I would like to thank you so much for helping us. Your solidarity and your generosity are very important for the Mission. We will ever very appreciate your support because together, we work for the Glory of God. Blessing for you and all the America!

Sincerely yours in Christ: Fr. Bernard of Marmont
